**assignment#06 : add pdf file**

 wkdthf21 committed 28 seconds ago

**assignment#06 : make all outputs**

 wkdthf21 committed 10 minutes ago

**assignment#06 : replot the probability map**

 wkdthf21 committed 36 minutes ago

**assignment#06 : modify training & retraining**

 wkdthf21 committed 38 minutes ago

**assignment#06 : plot the probability map**

 wkdthf21 committed 1 hour ago

**assignment#06 : compute the accuracy**

 wkdthf21 committed 4 hours ago

**assignment#06 : modify training & retraining**

 wkdthf21 committed 4 hours ago

**assignment#06 : training**

 wkdthf21 committed 8 hours ago

🔍 Commits on Oct 11, 2020

**assignment#06 : define hyper parameter**

 wkdthf21 committed yesterday

**assignment#06 : define gradient descent funtion**

 wkdthf21 committed yesterday

**assignment#06 : define gradient of objective function**

 wkdthf21 committed yesterday

**assignment#06 : define objective function**

 wkdthf21 committed yesterday

**assignment#06 : define sigmoid function & a prediction function**

 wkdthf21 committed yesterday

## assignment #6 - load and plot the dataset

 wkdthf21 committed 2 days ago

## assignment #6 - add dataset

 wkdthf21 committed 2 days ago

## assignment#05-b : add pdf

 wkdthf21 committed 7 days ago

## assignment#05-b : compute the classification accuracy

 wkdthf21 committed 7 days ago

## assignment#05-b : plot the probability map of the obtained classifier

 wkdthf21 committed 7 days ago

## assignment#05-b : plot the decision boundary of the obtained classifier

 wkdthf21 committed 7 days ago

## assignment#05-b : replot the loss curve

 wkdthf21 committed 7 days ago

## assignment#05-b : plot the loss curve

 wkdthf21 committed 7 days ago

## assignment#05-b : modify a prediction function and run a gradient des... ...

 wkdthf21 committed 7 days ago

## assignment#05-b : modify a prediction function and run a gradient des... ...
